[Redacted]

Following the meeting which we had in Washington a few days ago, I reported to the members of the Psychological Strategy Board with regard to your ideas and I turned over to Dr. Allen, Director of the Board, the maps and charts which you left with me. I am sending a copy of this letter to Dr. Allen, and I feel sure that he will be glad to see you when you are next in Washington.

Faithfully yours,

Allen W. Dulles
